Event Planning Opportunities

We are seeking a few volunteers to help us plan these upcoming events. Please contact us at swe.kc.mail@gmail.com if you are interested in helping.

- **Host the March Meet & Greet**
 - You get to choose the location and date/time for a happy hour. Let us know the details and we'll advertise it!
- **Co-Host the SWEetie Pi Reception – March 17**
 - This is a lunch reception during the FIRST Robotics competition in Kansas City. The co-hosts will order and pickup the food and plan out the speed networking activity.
- **Co-Host the April Joint Event with other engineering societies**
 - This is a happy hour networking event with other KC engineering/STEM societies. The co-hosts will choose a date and location, and coordinate with other engineering societies to attend.
- **Co-Plan the Girls in Gear Outreach Event**
 - This is an outreach event in the June/July timeframe at a local community center. We need help planning the activities, buying supplies, and coordinating with the organization.
- **Advisor for Kansas City SWE Next Clubs**
 - We've been approached by a local high school teacher who is interested in starting a SWE Next Club in the Kansas City metro area. We are seeking a SWE professional member who is interested in helping with this new endeavor. For more information on SWE Next, check out their [website](#).
