

SWE-KC - Happy Thanksgiving & More!

Thank you to everyone who came out to volunteer at Harvesters this past weekend and network/socialize with our friends from ASCE! Lots of fun was had and lots of food were packed!

Annual Cookie Exchange on December 11th - Save the Date!

SWE-KC annual Cookie Exchange is happening on [Tuesday, December 11th, 6-8pm](#) at the [Johnson County Central Resource Library](#). Bring your best cookie recipes to share (and show off!) with everyone! [Families and kids are welcome](#). Hope to see everyone there!

[Click here to add to your calendar.](#)

Career/Profession Outreach Opportunities

Many students and teachers from high schools and colleges in the area often reach out to SWE-KC for women engineers to talk to/interview about their careers and experiences. We currently have requests from high school students looking to interview a nuclear engineer or an architectural engineer - let us know if you're one of these and are willing to speak to the students!

Speak With the Olathe Northwest SWENext Club!

SWE supports K-12 girls and young women by providing [SWENext](#) memberships to learn about engineering. **Olathe Northwest High School** has a SWENext club of 16 girls. They are looking for speakers to come speak (and possibly do a hands-on activity) with their club over lunch. If you are interested, please contact **Jennifer O'Gorman** at jogormanonw@olatheschools.org.
