

SWE-KC Mentor Elevator Event & WE KC Planning Committee

Mentor Elevator Event - 4/23!

Mentorship is a value that SWE encourages and promotes. Join us **next Tuesday, April 23rd** for a **Mentor Elevator** event! We will be *speed-networking*, to form and develop potential mentoring relationships. This event is **free** and open to everyone, so join us for some fast networking with other women engineers!

[RSVP here](#) and please [fill out this survey](#) to better enhance the experience.

Date & Time: [Tuesday, April 23, 6pm \(click to add to calendar\)](#)

Location: [Black & Veatch, 8400 Ward Parkway, KCMO 64114](#)

Join the WE KC 2019 Planning Committee!

[WE KC](#), which is SWE-KC's signature professional development event aimed at empowering and inspiring women in STEM, is coming back on [August 8th \(save the date!\)](#). WE KC is currently looking for volunteers to join the **WE KC Planning Committee**. This is a great opportunity to get more involved with the hosting and planning side of SWE-KC events, so if you're interested and willing to help out, [fill out the survey here!](#)

Recognitions from SWE Talks

Thank you to the [SWE-KC Fellows](#) for hosting a phenomenal [SWE Talks](#) on April 4th, featuring a talk by **Joy Wheeler of Girl Scouts!** Attendees enjoyed an awesome and motivating talk, and even got to walk away with a box of Girl Scout cookies. Thanks to the generosity of SWE Fellow **Jane Knoche**, two SWE memberships were raffled off - congrats to our winners *Maria Prieto* and *Stephanie Sikkila!*

If you'd like to recognize an amazing woman in engineering that you know, drop us a line [here!](#)
