

We have a few exciting events coming up in March, including IGED 2017 this Friday and a Meet & Greet at the end of the month! We are also still seeking a few volunteers to help with the event planning opportunities that I've listed at the end. There is an Events Planning meeting on Monday, March 6 if you're interested in learning more.

Volunteer Opportunities

SWEetie Pi Reception @ FIRST Robotics

When: Fri, March 17 11:45 AM – 1:00 PM ([Add to Calendar](#))

Where: Metropolitan Community College Business & Technology Campus ([map](#))

RSVP: contact us at swe.kc.mail@gmail.com if you are available to help

We are seeking 15-20 volunteers to help facilitate activities at the SWEetie Pi Reception. This will be an event for high school girls attending the FIRST Robotics competition to learn more about SWE and engineering opportunities while on their lunch break. The setup will be different this year. We are planning a drone activity to teach the girls about aerospace engineering, and an electrical engineering activity using Little Bits.

Upcoming Networking Events

March Meet & Greet: Welcome New SWE Members!

When: Tues, March 28 5:00 PM – 6:30 PM ([Add to Calendar](#))

Where: Pig & Finch Gastropub (11570 Ash St, Leawood KS)

RSVP: not required

Join us for a night of networking and appetizers to help us welcome new members to SWE-KC! Those who have joined the SWE professional organization this fiscal year should receive a separate invitation to the event soon. All members – past, present, and future – are welcome to attend. Please also attend if you are interested in learning more about SWE-KC and opportunities to get involved.

Event Planning Opportunities

Events Planning Meeting

When: Mon, March 6 5:30 PM – 6:00 PM ([Add to Calendar](#))

Where: Panera (1128 W 103rd St, Kansas City, MO 64114)

RSVP: not required

Help us plan several upcoming events and provide ideas for events in the future. This is a great opportunity to start learning more about SWE-KC activities and learn of ways to get more involved.

We are still seeking a few volunteers to help us plan these upcoming events. Please contact us at swe.kc.mail@gmail.com if you are interested in helping.

- **Co-Host the April Joint Event with other engineering societies**

- This is a happy hour networking event with other KC engineering/STEM societies. The co-hosts will choose a date and location, and coordinate with other engineering societies to attend.
- **Co-Plan the Girls in Gear Outreach Event**
 - This is an outreach event in the June/July timeframe at a local community center. We need help planning the activities, buying supplies, and coordinating with the organization.
- **Advisor for Kansas City SWE Next Clubs**
 - We've been approached by a local high school teacher who is interested in starting a SWE Next Club in the Kansas City metro area. We are seeking a SWE professional member who is interested in helping with this new endeavor. For more information on SWE Next, check out their [website](#).
