

We have an event with the KU SWE section this Sunday, and multiple volunteer opportunities listed below.

STEM Outreach Volunteer Opportunities

IGED Junior - Mentors & Volunteers Needed

We are seeking mentors for our first ever IGED Junior event (Introduce a Girl to Engineering Day for middle school students).

When: Friday, November 11 @ 8:00a to 2:00p ([Add to Calendar](#))

Where: UMKC Atterbury Success Center

[Mentor/Volunteer Sign-Up](#) by Oct. 14

[Student Sign-Up](#) by Oct. 14

Check out the IGED Junior [Website](#) for more information.

We are seeking female professional engineer/scientists to serve as mentors at IGED Juniors.

Mentors need to be in attendance for the entire event. They will be paired with a few middle school students during the event and will be responsible for answering questions about what it is like to be an engineer/scientist, and help guide them through the hands-on activities throughout the day.

We are also seeking volunteers to assist with set-up, extra hands during the activities, and check-in.

Volunteers do not need to be present all-day.

Please contact [Alyssa Zimmerman](#) with any questions.

Girls Ignite Events

We still need several volunteers for the upcoming Girls Ignite Events this fall. [Sign up](#) for a specific time slot.

Thursday, October 13: Grandview Ignite at Grandview Middle School from 8:30a to 11:30a and 12:00p to 3:00p ([Add to Calendar](#))

Thursday, November 3: Grandview Ignite at Martin City Middle School from 8:30a to 11:30a ([Add to Calendar](#))

Wednesday, November 30: Girls Ignite at KCKPS Central Office from 8:30a to 12:00p ([Add to Calendar](#))

At these events, volunteers will be assigned to a station, which features an engineering discipline.

The girls will rotate between the stations throughout the event to learn more about engineering.

Volunteers will be given instructions on how to lead the activity at each table. Please contact [Alyssa Zimmerman](#) with any questions.

Job Shadow Volunteers

Throughout the year, we get several requests from high school students asking to job shadow an engineer for a day.

Please contact [Alyssa Zimmerman](#) if you are available or interested to allow a student to job shadow you at some point during the year. We are developing a contact list, so we can reach out to those interested when we get a specific request.
