From the Harvesters website:

Harvesters' mission is to feed hungry people today and work to end hunger tomorrow.

We are a regional food bank serving a [26-county area](#) of northwestern Missouri and northeastern Kansas. Harvesters provides food and related household products to more than 620 not-for-profit agencies including emergency food pantries, community kitchens, homeless shelters, children's homes and others. We also offer education programs to increase community awareness of hunger and teach about good nutrition.

Harvesters' main facility is located in Kansas City, Missouri at 3801 Topping Ave. Harvesters also operates a second facility in Topeka, Kansas at 215 E. Quincy St.

SWE-KC will be volunteering at Harvesters on Nov. 4 from 9-11am to help package cold food items. We are hoping to bring 15-20 people between SWE-KC and ASCE. More details will be coming as well as directions to carpool since parking is limited.
