Introduce a Girl to Engineering Day, Jr.

SWE-KC is holding Kansas City's fourth annual IGED Jr. on Friday, November 15, 2018 at UMKC's Atterbury Success Center. IGED Jr. targets middle school females who show interest and aptitude in the areas of STEM.

For the second year in a row, we have a sell-out number of students, but we need more mentors! This is a really fun day that is so important to these middle school students. If you want to be a part of this event, please register by October 10th.
