Mocktails & Mingle, SWE Talks, & More

Mocktails & Mingle: Knowledge of SWE

Abigail Wendt started in SWE through an invite to an outreach event in 2005 and has been involved ever since. She currently serves on the Leadership Coaching Committee (LCC). It was a SWE connection that helped Abigail find an opportunity at Magellan Midstream Partners where she has been since 2005 and is currently serving as Engineering and Construction Manager over the northern crude group.

Abigail will review SWE's organizational structure and governance. We will discuss how to be a leader in SWE and how practicing leadership in SWE might be one of the most important transferable skills you can bring back to the workplace.

Non-alcoholic beverages will be provided. Feel free to bring your own wine, beer, or cocktail.
