

Dear Friends in STEM Careers, I need you to volunteer to speak to Lakeview Middle Schoolers!

Industrial and Engineering Technology (STEM)

It's truly a lot of fun and rewarding to engage with and inspire our young 7th & 8th graders. Dates are February 7 & 8. Time slots can be as early as 7:35-9:03, 9:07-10:33, or 12:19-1:45. Don't you love the times? Our schools are taking every minute count!

I'm in a pickle and need your volunteering spirit to come help! in box or call me [816-935-2496](tel:816-935-2496) asap!

Resume help and mentorship needed

If anyone is interested in helping high school seniors with resume writing and/or able to be a mentor please contact Larry Whittlesey at larry.whittlesey@lsr7.net
