July 3, 2017

Dear Corporate Partner,

The Society of Women Engineers – Kansas City (SWE-KC) Section would like to announce that the WE KC 2017 event will be held on Thursday, August 3, 2017 at the KU Edwards Campus. We are extremely excited to host our annual professional development event for the second year!

Last year, over 200 women in STEM (Science, Technology, Engineering, and Mathematics) fields gathered for an evening of networking and educational programming. Women leaders from SWE and NAWIC presented topics of professional development, finding your leadership voice, and achieving work/life balance. Our evening keynote address centered on “Succeeding as a Female in Engineering & Construction.”

This year’s event will take place from 5pm – 9pm. The tentative schedule is as follows:

- 5:00pm – 6:00pm: Registration, Dinner, and Sponsor Fair
- 6:00pm – 6:45pm: Event Keynote Address
- 7:00pm – 7:45pm: Session 1 (choice of 3 speaker sessions)
- 7:50pm – 8:35pm: Session 2 (choice of 3 speaker sessions)
- 8:35pm – 8:50pm: Concluding Remarks

We are seeking funding in order to continue our goal of professional excellence. WE KC helps develop women engineers at all stages of their personal and professional lives. It is organized by local women engineers who volunteer through SWE-KC. **Donations of \$200** will cover our expenses including food and supplies, as well as give you a booth at our Sponsor Fair. You also have the opportunity to provide giveaways, such as keychains, rulers or cups that will be given to each attendee. The cap for registration is 225 attendees.

SWE-KC is a 501(c)(3) organization and donations are tax deductible. All funds and any giveaways need to be received by July 21, 2017, in order to receive all of the benefits of sponsorship. Please contact me if you have any questions or comments about WE KC 2017. Your participation will assist in creating a beneficial event for women in STEM fields; we hope to see you there!

Sincerely,

Adriana Porter
