June 18, 2019

Dear Corporate Partner,

The Society of Women Engineers – Kansas City (SWE-KC) Section would like to announce that the 4th annual WE KC 2019 professional development conference will be held on Thursday, August 8, 2019 at KU Edwards Campus – Regnier Hall (12610 S Quivira Road, Overland Park, KS 66213).

This year we are anticipating over 150 women in STEM (Science, Technology, Engineering, and Mathematics) fields to gather for an evening of networking and educational programming. At the event, women leaders from SWE and industry will present on topics of professional development, navigating your career, and achieving work/life balance. The theme of the evening keynote address is “The Power of a Moment.”

This year’s event will take place from 5:00pm – 9:00pm. The tentative schedule is as follows:

- 5:00pm – 6:00pm: Registration, Networking, Dinner and Sponsor Fair
- 6:00pm – 6:45pm: Event Keynote Address
- 7:00pm – 7:45pm: Session 1 (choice of 3 sessions)
- 7:45pm – 8:00pm: Dessert & Networking
- 8:00pm – 8:45pm: Session 2 (choice of 3 sessions)
- 8:45pm – 9:00pm: Concluding Remarks

A booth at WE KC’s Sponsor Fair will give your company great exposure to many of Kansas City’s best women in STEM. There are four sponsorship levels: Platinum, Gold, Silver, and Bronze. You also have the opportunity to provide giveaways, such as pens, keychains or cups that will be given to each attendee. The cap for registration is 250 attendees.

SWE-KC is a 501(c)(3) organization and donations are tax deductible. Donations will cover our expenses including food and supplies, as well as give you a booth at our Sponsor Fair. All funds and any giveaways need to be received by July 31, 2019, in order to receive all of the benefits of sponsorship. Please contact me if you have any questions or comments about WE KC 2019. Your participation will assist in creating a beneficial event for women in STEM fields; we hope to see you there!

Sincerely,

Denise Karimi
